PAID BY Math Club

1. Hotel room - La Quinta Inn & Suites Conference Center/Medical Center, 4431 Horizon Hill Blvd, San Antonio, Texas 78229, T: 210-525-8090 Ext 1128 F: 210-525-8921. There will be 4 students to a room – two double beds/ two students per bed. Students will give Mrs. Curtice their preferences for roommates by Friday, March 21 or she will match up roommates. Breakfast is included Saturday morning for no extra fee.
2. Incredible Pizza – The Math Club will pay ½ of \$20.00 fee for the unlimited buffet, games and arcade from 6:30 to 9:30. We have been to this place for three years, and it is clean, safe and much fun for our students.
3. Buses – We are taking 3 buses to accommodate 122 students, 3 teachers and parent chaperones.

4. Individual Study Room – University of Texas at San Antonio – The Math Club will pay \$2 per student = \$244.00 so our Raiders can have a separate classroom to sit and prepare for the competition. Otherwise the students must sit on the floor in the hallway. We can have only 1 parent per 10 students in the room.
5. Name Tags and Practice Materials – The math club will make a name tag for each student and bring practice materials for the students.

CHAPERONES As Mrs. Curtice is on the State TMSCA board and is in charge of this competition this year, she will be in San Antonio on Thursday and will not be riding the buses on Friday. Ms. Boitz, Ms. Maly and another teacher will be accompanying our Raiders to San Antonio. Mrs. Curtice will meet them at the La Quinta when they arrive.

If you are interested in being a chaperone, please let Ms. Curtice know (3-4 expressed that desire – please send your names again). Chaperones must contact LaQuinta individually to reserve a room. These are doubles so you can share with another adult. The rate is \$84. These rooms may not be available after March 15. Chaperones may ride the bus and then will either score or monitor our students to and from the tests. Mrs. Curtice will have detailed instructions for the day.
